Dear Harold Weisberg, (last week)

This is the monograph I talked to you about Wednesday morning. You are mentioned on page 36.

I understand from Gary Shaw that David Copeland died ~~a~~ some years ago. His son is an attorney who lives in Midland, Texas.

I am interested in your perspective on the document. In addition, I'd like to discuss an interview, possibly by mail, for publication with the possibility of splitting the payment. I am not a frequent journalist but I believe such an interview could be sold to a national publication, partially as a rebuttal to recent books by Mr. Mailer and Mr. Posner.

Thanks!

Sincerely,

Eric Rassi
